

# BEAUJOLAIS VILLAGES ROUGE

## *Les Sables*

Beaujolais Villages are located on the northern part of the vineyard and are spread over 38 villages. The steep vines, facing south / south-east between 200 and 500 meters above sea level, surround the 10 Beaujolais crus.

Heart of the range, we appreciate them in their youth. Beaujolais Villages are wines of pleasure and celebration: emblem of our Beaujolais Terroir where sharing and conviviality reign in the cellars.
